USSR PRODUCTION TRUSTS AND OIL FIELDS WITHIN THE AZNEFT' ASSOCIATION

Comment: This report lists production trusts and oil fields known to be subordinate to the Azneft' Association. Where available, 1953 sources have been used. Soviet newspaper articles do not, as a rule, give locations for the Azerbaydzhan oil fields, except as contained in the name of the trust. Where specific locations have been reported by the press, they are included in this report.

It will be noted that the list includes 75 oil fields under 13 trusts and, in addition, 2 trusts under which no oil fields have been identified. Bakinskiy Rabochiy of 7 June 1953 implied that there were a total of 76 oil fields in the Azneft' Association
